

INTELLIGENT INSTRUMENTATION & CONTROL SOLUTIONS

Sensors

Pressure / Temperature / Relative Humidity / Dew Point / Moisture / Position / Photo / Area / Door / Fiber optic / Continuous Contactless (Weight, Potassium, Ash, Density, Hydrogen) pH / Optical Gas Flow meters / Data Acquisition & Management

Encoders, Controllers, Meters & Indicators

Stepper motors / Rotary Encoders / Micro DC Motors/ Pressure / PID Temperature Switches / Position / Process / Weight / pH / Counter / Timer

Online Spectrometers

Precise industrial process control / Data Acquisition & Management

Non-Contact Infrared Temperature

Spot Pyrometers / Sensors / Indicators / Controllers / Handhelds Thermal imagers / Line Scanners

Online Ultrasonic Analyzers

Precise industrial process control of liquid concentrations

Online Infrared Analyzers

Single and Dual near infrared analyzers for accurate measurement of moisture, fat and protein content of solids, powders, fibers, and liquids

Online Beverage Analyzers

Brix concentration (sugar content) / CO₂ Levels / Diet Strength

Data Loggers & Recorders

Paperless Recorders Strip / Circular Chart Recorders Portable Data Loggers / Windows Based Software

Mechatronic Drive Solutions

Transfer Case Actuator / Maindrives / Auxiliary Water Pumps / Gear Motors

Electric Heaters and Systems

Band / Cartridge / Strip / Tubular / Quartz / Circulation / Radiant / Duct / Immersion / Fiberglass & Silicone Rubber Tapes / Heat Trace / Controls

Power Controllers

Zero & Phase Fired SCR's / Solid State Relays / Mercury Relays

Appliance, HVAC & Commercial Refrigeration Products

Commercial Refrigeration Controls / Appliance Controls / Timers/ Sensors
